Friday 17th December 2021

Dear Parents,

I write to you, not just at the end of a busy week, but the end of a busy term. The students have worked really hard throughout and shown great enthusiasm in their learning. They are all looking forward to the Christmas festivities and really deserve their holiday.

We had lovely Christmas parties on Wednesday, with each class celebrating in their own classroom. Santa was kind enough, and clever enough, to still deliver a present for everyone to their classroom.

Today we shared the Christmas Nativity Story in assembly and enjoyed a festive singing practise to end the day.

It just remains for me to wish you all, on behalf of all the staff and myself, a very happy and safe Christmas and New Year. We look forward to seeing you all when school reopens on the 4th of January 2022 at 9 a.m.

Stuart Bruce

Assistant Head of School

Jubilee Class

Dear family and friends,

This week we have done many Christmas craft activities and had so much fun. We made savoury Christmas tarts and we used up all our ingredients for this term. We made snowflakes to add to our Christmas display window and we hung our spinning Christmas decorations for added movement. Our display was shared on social media as the fourteenth day of Christmas journey.

We enjoyed our Christmas Concert and it was lovely to be with other classes on the day. We had our class Christmas buffet and staff from the houses joined us in class, we all had lots to eat and drink. We were lucky enough to have a visit from Santa and we enjoyed opening our presents. We would like to thank you for all our fantastic gifts!

We wish you a very Merry Christmas and we hope to see you on the 4th of January 2022!

Warm regards and Blessings!

Mrs C

Winston

Happy Christmas and Best Wishes for A Happy New Year from Winston Class.

It has been a fun week of Christmas celebrations!!

The students have played lots of games, had a visit from Santa, watched Christmas movies and even fitted in Christmas themed Numeracy and Literacy.

As a team we would like to thank you for the lovely gifts and cards from you, it really has been appreciated.

The students have worked really hard this term and, like the staff deserve their break, so we hope you have lots of fun and a very magical Christmas and we look forward to seeing you in 2022.

Mel and The Winston Team

Bramley Class

Dear Parent,

We have had a lovely week this week. Lots of parties, and Christmas activities. We decorated our classroom with Christmas decoration and had a visit from Santa Claus who gave us each a present. We had a visit from Father Paul and sung lots of Carols. We made some party food and had a very nice spread made by our catering staff. We have also had a new member of staff join us who has fitted in really well.

Sadly, I have to bid the students farewell and farewell to the St Elizabeth's community, I have many fond memories, but I hope to be visiting St Elizabeth's in the future.

May I wish you all a Happy Christmas and let's hope the next year is a much better year for all of us.

Regards,

Lyn

Pippin Class

Pippin Class have had a fantastic week and have particularly loved their Christmas party and visit from Santa. Our focus for the week has been on developing our fine motor skills which has included activities such as puzzles, arts and crafts followed by finishing their Christmas cards.

Pippin class are looking forward to their Christmas break and wish everyone a Merry Christmas and Happy New Year.

Many thanks

Charlotte

Stirling Class

This week Stirling have been taking part in general end of year quizzes based on pictures, general knowledge and Christmas for fun.

The students have been completing any unfinished work and signing off the assessment for their City and Guilds Maths and English.

The students have also been creating decorations for the class, taking part in a class Christmas meal, playing games and enjoying our last week together

All the best

Mr D and the team

Discovery Class

Well, we have made it to the end of the year! We are so proud of our Discovery learners and how well they have worked and interacted this term. We have finished our topic of Entertainment and have enjoyed the Disney based sensory story and completing all the activities and craft projects to go with the topic. We have been working hard and have gathered good evidence to contribute to our City and Guilds modules and hope to continue to do this in the New Year.

Next term our topic will be Our Body. We will be learning about the parts of our body through sensory activities, exploring how we can use them to do different things. We will be learning the names of parts of our body using words, pictures or symbols. We will be thinking about shape and space in Cognition and focusing on healthy living in PSHE and food tech.

This week we have mainly been getting ready for Christmas with lots of seasonal arts and crafts, making Christmas cards and decorations and enjoying lots of Christmas music.

On Wednesday, we had our Christmas party in our classes. We had a great time sharing a buffet meal and then were lucky enough to get a virtual visit from Santa. The whole class was able to spend the time together which was lovely and very festive feeling!

We also had our Christmas liturgy on zoom where we learnt about the Christmas story and sang some carols.

The Discovery team would like to say a big thank you for all your support this half term. We wish you a happy and peaceful Christmas and look forward to seeing our learners in the New Year.

Have a great Christmas

Letty, Greg and Gill

And the rest of the Discovery team.
