Monday 10th January 2022

Dear Parents,

I trust you all had a good Christmas and I would like to take this opportunity to wish you all a Happy New Year. The students have returned to school refreshed, eager and happy to see their friends and staff members.

As you are aware we have returned to school with different arrangements, due to the current wave of Omicron. All of the students have adapted to these changes really well, whether they be on their house or in a different classroom. The way they have coped with the changes and engaged with their learning is a real credit to them. It has been a real team effort and they have certainly played their part.

In line with government guidance I encourage you to continue to test your child at least twice week to support their continued safety. If you require any lateral flow tests we have a limited supply in the school office, so please ask.

Thank you for your continued support with our current arrangements and helping to keep everyone safe. I hope you all have an enjoyable, safe and relaxed weekend.

Have a great week everyone!

Stuart Bruce
