## Collective worship

For Mass times and Gospel readings [Click Here](#)

For assembly today classes discovered what will happen at the Coronation of King Charles III tomorrow and some of the artefacts and rituals that will form part of tomorrow's events. Everyone shared the crowns they had made as well as their red, white and blue costumes. To end the assembly we all joined in a prayer to wish our King well. Our centre celebration had to move to the restaurant and green outside it, due to the weather, but everyone was able to join in the festivities and have a great time. We shared the songs we sing in singing practise each Friday, much to everyone's delight, and are now looking forward to seeing King Charles III Coronation tomorrow.

Righteousness and justice are the foundation of your throne; love and faithfulness go before you. Psalm 89:14

## Dates for the Diary

11<sup>th</sup> July Sports Day

14<sup>th</sup> July Graduation

18<sup>th</sup> July End of Year celebration

## Head Teachers Message

We are finally beginning to see the start of summer and what a lovely time we are all having. Jubilee's garden is in full bloom, Winston wore short sleeves to the farm and didn't come back covered in mud, Pippin have been spotted out on the bikes, Stirling have had fun in Ash Vale and prepping their new exciting summer project... Updates to follow this term! It was lovely to share the afternoon with so many of our stakeholders, coming together is so important and on this special moment in history to mark the King Charles III coronation was particularly special. Have another restful bank holiday weekend.

## Beacon:

Beacon's students were very excited during the preparations for the Kings Coronation. On Tuesday we did decorate the classroom with flags and collages of the king's profile. On Wednesday we did bake our home made scones, ready for our Royal Picnic on Thursday. On Friday we decorated our crowns ready for the Celebrations in the afternoon! God Save the King!

Our Aspirational Award went on Michael this week; he has been working hard on his 1-2-3 and now and next chart. Showing his understanding of what is expected from him and being rewarded for working hard. Well done Michael!

## Bramley:

Hello from Bramley! What a wonderful week it has been. We started the week heading straight back to our core targets to finish this term cycle. We've pressed clay and made very pretty animals during are visit from the drawing room. Enjoyed listening an interacting with a variety of inclusive sensory stories and had an awesome Thursday morning enjoying a theatre company performance which our picture for the day comes from. This Friday we celebrated the upcoming coronation of King Charles the third by participating in a tea party with the entire school. Our learners have had so much fun this week and it's been thoroughly enjoyable.

Our star of the week is Hadley for his bright and cheery mood all week whilst learning. Keeping our classroom spirits high and mighty.

## Jubilee:

Jubilee has been getting green fingered and planting lot in our court yard garden including tomatoes, lettuces and sunflowers. We have received some outside furniture this week and look forward to when the sun comes out to make the most of the outside space. We enjoyed watch and getting involved with the theatre group that visited this week retelling the story of the Naughty Fox.

Friday was full of craft, making decoration for our celebrations of the King's coronation.

Have a lovely weekend  
Jubilee Class

## Pippin:

Hello from Pippin class!

We have had a fantastic week and very eventful, with a wonderful sensory theatre performance from Toucan Theatre group followed by preparations for the coronation afternoon tea. We also enjoyed baking a range of cakes for the celebrations and group bike rides around the school to see the blossom trees. We wish everyone a joyful bank holiday and coronation weekend.

### Stirling:

This week has been all hands on deck with preparing for King Charles III coronation and St. Elizabeth's own coronation celebration event this Friday afternoon. Students spent the early part of the week buying ingredients and creating a wonderful homemade coronation chicken to go into our sandwiches. Students used a number of higher cooking skills including slow roasting and the chicken which was stuffed and tied for the preparation of this. In literacy students then learnt about the previous coronation and the coronation coming up, who was and is involved, where its taking place and what the ceremony involves. At the latter part of this week, students created crowns in preparation for the St. Elizabeth's Coronation celebration event which involves music, food, games and picnic. Oh, and the best bit, free ice cream! Stirling team also had the opportunity to embed their knowledge in numeracy of shapes, measurements and symmetry.

### Winston:

Happy Friday from Winston Class

We have had a very nice week with our trip to the farm, and also to Ash Vale.

Students have been very excited to learn about the coronation this week and are looking forward to afternoon tea today. All students have also been working hard on their reading, their numeracy and their social and communication skills. Winston class hope you have a great coronation weekend and we look forward to seeing the students back on Tuesday.

### Friday's Prayer

Dear God,

We thank you for the life of King Charles. We pray for him as his coronation nears.

We pray for him as he gives his promise to serve our country and the Commonwealth.

We ask for your blessing upon him. May he continue to walk in faith, and rule with justice and mercy. May he continue to use his gifts and talents to benefit others.

Amen.

Class	Star of the Week
Beacon	Bradley
Bramley	Hadley
Jubilee	Siena
Pippin	Gabriel
Stirling	Micah
Winston	Ross
