We celebrated the feast of Corpus Christi today in our school assemblies. The young people learned about The Last Supper and its significance to Jesus and the apostles. They reflected on how we like to mark occasions with meals and how it feels to sit down and share a meal with family or friends. Classes looked into the story in greater depth and created their own stained glass windows of The Last Supper. There was also a rap created by one of our classes to retell the story-very creative!

Jesus said to them, 'I am the bread of life; whoever comes to me will never hunger, and whoever believes in me will never thirst.'" [John 6:35](#)

Dates for the Diary

President Day 12th June

Pride parade 30th June

**School play Wizards of Oz – parents
welcome 7th July**

Sports Day 11th July

**Graduation and Summer Fete 14th July
(See details on email)**

Head Teachers Message

The sun is here! The gardens are in full bloom and it is wonderful to see the students enjoying the sun. With the start of summer please remember to put sun cream on the children before they come to school. On the 30th of June we have our annual pride parade, please see attached poster. It would be lovely for our students to join us in wearing bright colours on this day. Have a lovely weekend and be careful in the sun.

Beacon:

We had another fantastic week at Beacon class! We have started a new sensory story on communication, The Rainbow Fish. We enjoyed creating a rainbow fish collage and a jellyfish on arts. In cognition, we looked at animal patterns and did match the patterns to the right animal. The highlight of the week was our trip to Paradise Life Park on Thursday, where the students could see many of the animals that we are learning about on our Super Pet curriculum cycle, and spent a great day out with all our friends, enjoying the lovely weather.

Our Teacher Reward went to Bobby this week, for engaging very well with his school activities. Keep up the good work Bobby!

Bramley:

Hello Everyone!

It's great having are whole class back ready to go! We've jumped straight into this last term with a lot of exciting trips and visits across our lovely centre. we've enjoyed sensory stories and explored new material. Went on a fabulous trip to paradise wildlife park with the rest of pathway 3 and Jubilee class. Had a lot of fun in the sun with lessons out in the pavilion. And welcomed a new learner into our class! Our star of the week is Ryan for doing a fantastic job achieving his cognition targets and doing remarkably well in other subjects. Our pic of the day is a scary one. Watch out for the dinosaur! Luckily we had Marcus pointing them all out so we don't lose sight of them

Jubilee:

Welcome back everyone, we have had busy week this week. We have had some caterpillars delivered to us to watch grow and blossom into beautiful butterflies. On Thursday we had an adventure and went to Paradise Wildlife Park, we really enjoyed spotting all the animals and walking around the dinosaur trail in the sunshine.

We hope you have a fabulous weekend, team Jubilee

Pippin:

Pippin class have had another busy but fantastic week, we have enjoyed swimming and a trip to Paradise Wildlife Park whereby we were able to explore the dinosaur forest and look at some amazing animals.

We have also enjoyed creating more ceramic art with the drawing room, with this week's project being ceramic fruit baskets which we will fill next week during fruit picking. We have also loved time spent in the sunshine through bike rides and walks to the chickens. We also continue to work on our ASDAN courses with evidence towards our animal care qualification.

Stirling:

This week Stirling class have had a tremendous week with their anticipated outing to Stansted Airport which the whole group should be incredibly proud of. We began the week looking at how we would navigate ourselves around the airport, looking at sign posting, landmarks and areas of interest. We then delved into the importance of being responsible and showing certain behaviours when in a busy public environment with high levels of security. When it came to the trip itself, all learners were given a quiz that challenged students to find various items within the airport, ask airport staff questions and find locations for various reasons to do with travel. We began with our usual Tesco shop and then created a dreamy trifle, with a little extra ingredients to make it unique. We continued to analyse the story of James and the giant peach while for numeracy we combined our knowledge so far of statistical research, tally and frequency tables and bar charts. All created from scratch by learners. We ended the week with Starlings own assembly based on the Cristian festival of Corpus Christi. Students created their PowerPoint for this, read to their audience and even crated and sang a rap based on Corpus Christi.

Winston:

Winston have had a fantastic week this week. We had glorious sunshine at the farm where we walked the very mischievous goats, and we helped clear weeds in the planting poly tunnel. We've put our chef hats on and have made a delicious trifle with mixed fruits, and we've explored a range of subjects such as pictograms, James and the Giant Peach, and Corpus Christi.

Our star of the week was William, very well done.

Friday's Prayer

Dear God,

We bring to you our thanks for the many meals we have enjoyed with others. We thank you for good food and good company, which help us to feel connected to others. We pray for anyone who cannot enjoy this – people who have little food, or feel isolated and cannot enjoy eating with others. We also thank you for giving us the gift of Jesus, who showed us the example of sharing a meal to unite. Help us to come to a better understanding of the power and symbolism of Holy Communion to unite us with others and with you.

We ask that through our prayers, through our meals and, in particular, through our experience of Eucharist, we might grow closer in peace and unity to other people and to you.

Amen.

Class	Star of the Week
Beacon	Bobby
Bramley	Ryan
Jubilee	Freddie
Pippin	Greta
Stirling	Ollie
Winston	William
