Collective worship

For Mass times and Gospel readings [Click Here](#)

This week we celebrated the feast of St. Peter and St. Paul in our assemblies this morning. Students learned their two stories of how St. Peter became the rock on which the Church was built and St. Paul preached to others of the teachings of Jesus. The students then reflected and thought of examples of how they followed the examples of St. Peter and St. Paul in their own lives. We finished another busy week with a very spirited singing practise to end the day.

Bible quote Ezekiel 34:11-12

“For this is what the Sovereign LORD says: I myself will search for my sheep and look after them. ¹² As a shepherd looks after his scattered flock when he is with them, so will I look after my sheep. I will rescue them from all the places where they were scattered on a day of clouds and darkness.

Dates for the Diary

End of Term Mass 4th July – Parents welcome

School play Wizards of Oz – Parents welcome 7th July

Sports Day 11th July

Graduation and Summer Fete 14th July

Head Teachers Message

Happy Friday everyone. This week our staff and students recognised their mistakes in life and asked God for forgiveness in our termly Reconciliation. This week our students have visited the zoo, explored the difference in size and measured leaves around the site. More students have hit the slopes, and rehearsals for our end of year production have been in full swing! We hope you all have a great weekend and look forward to another exciting week ahead.

Beacon: This week we finished creating our Tin man costume for our play next week. We are all very excited about taking part in the Wizard of Oz. This week we have started our new sensory story The Three Little Pigs, we are getting to know the new characters and enjoying all the props of the story. In cognition, we have been sorting socks into pairs and matching, we are reinforcing the same/different concept. We had so much fun at our Pride Parade. It had a great atmosphere, it was fantastic to see all services joining together in celebration!

Our Teacher Award went to Michael this week, for being aware of others feelings. Well done Michael! We look after each other at St. Elizabeth's School.

Bramley:

Hi all! Another beautiful week has come to an end. Bramley class have been creating wonderful costumes for both Fridays Pride Parade and for our part in this upcoming school performance. We have had a lot of fun in sensory story lessons and have shared and played games in turn taking activities to one another. We have practiced our roles in the school performance and did a fantastic job listening to staff instructions the persevering in all our targets. This week's star of the week is Otto for being so engaged in classroom activities and having such a big smile on his face all week! It's been wonderful to see our students enjoying themselves. Our pic of the week comes from some flag waving preparations. Our learners enjoyed spending time with the whole school after our parade and ate lots of tasty treats!

Wishing you all a lovely weekend. From Greg and the rest of Bramley Class

Jubilee:

This has been a very colourful week in the life of Jubilee class. We have been preparing our costumes and doing rehearsals for our version of WIZARD OF OZ! We are looking forward to sharing the event with you at the end of the term. On Friday we completed our PRIDE celebrations with our very own PRIDE PARADE. It was a massive splash of colour and a very happy atmosphere. We all enjoyed cakes and refreshments in the canteen. Enjoy your weekend!

Pippin:

Pippin class have had another fantastic week, taking full advantage of the sunshine an opportunities to explore within the community helping us to develop our social, emotional and mental health skills. This week our students have enjoyed visits to Colchester Zoo, Skiing and Thorpe Park. We really enjoyed skiing where our students got to go in the specialist ski sleigh alongside visiting penguins, lions and elephants within the zoo. We look forward to more adventures next week.

Our STAR of the week is Freddie for fantastic participation within skiing

Stirling:

What a tremendous week Stirling class have had. We started by visiting the Middle East with our dish of the week being Shawarmas. A lot of effort went into these and it turned out to be dish that all enjoyed. We focused further on our comprehension skills for James and Giant Peach while completing 3 more chapters of reading. Students received their reading age results after spending the last week completing assessments with a massive improvement made from February to now. Maths has seen students creating and quantitative and qualitative research and data, while our church sculptures neared their completion with them being painted and placed in the kiln. The end of this week only became busier as it was Stirling's assembly and Pride parade. The assembly was, as always, presented by the students with work celebrated based on the stories of St. Peter and St. Paul. The Pride parade was wonderful, with happy faces, bright colours and real feeling of togetherness and tolerance as all students and staff from the centre joined in with festivities. Stirling, of course, brought their game faces to the occasion, waving flags and dancing their way to the weekend.

Winston:

Winston have had another great week. From body part functions to how we can sort data, Winston have particularly focused on descriptions. On Thursday we went to the farm and cleaned the goat enclosure and planted some watermelons in the poly-tunnels. Today we took part in a Pride march and were dressed in fantastically bright clothes to mark the last day of pride month.

Our star of the week is Morgan for his fantastic effort with his reading.

Friday's Prayer

Grant, we pray, O Lord our God, that we may be sustained by the intercession of the blessed Apostles Peter and Paul, that, as through them you gave your Church the foundations of her heavenly office, so through them you may help her to eternal salvation. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever.

Class	Star of the Week
Beacon	Michael
Bramley	Otto
Jubilee	Cordelia
Pippin	Freddie
Stirling	Kwaku
Winston	Morgan
