Today was our Graduation Ceremony in which we celebrated the achievements and experiences of Tom, Owen, Dylan, Oliver, Morgan and Hannah during their time at St. Elizabeth's. Many happy memories and successes were relived and the amazing progress these young people have made socially, academically and personally is a testament to their courage and determination. We will miss them enormously, but they will always be part of the St. Elizabeth's family and we wish them all the best for their futures.

Be strong and courageous. Do not be afraid or discouraged. For the Lord your God is with you wherever you go. Joshua 1:9

Dates for the Diary

End of Term 20th July

Start of Term 4th September 2023

Head Teachers Message

Hello families, as we end the penultimate week of the academic year, it is timely to reflect upon our 6 leavers that between them have accumulated 33 years at St Elizabeth School. The students and their families had a wonderful Graduation ceremony today, it was very emotional but a joyous event that celebrated each individual. I would like to wish everyone a lovely weekend and a reminder that the last day of school is on Thursday 20th July.

Beacon: As we get closer to the end of the year, the energy levels at Beacon Class keeps staying high. It's lovely to see learner through our morning routine, anticipating the next song, singing to it, standing up and doing some warm up. Students created their own little pigs and wolf for our The Three Little Pigs board, they have painted the clay animals that we have created last week. On food tech students have cooked a lovely French toast and enjoyed it with cream and red fruits. Beacon's students took part on the sports day on Tuesday, joining tennis, badminton, aim targets, football and netball. The atmosphere was great and some students could not move away from the speakers where the music was playing. Our Teacher Award goes to Henry this week for showing independence, helping staff to their seat and showing staff how to get to places. Well done Henry! We a proud of you!

Bramley: Hello everyone, what a brilliant last couple of weeks we're having here at St. Elizabeth's. We were so happy to see all who came last Friday during our school performance. We want to thank everyone who attended and got to see all the hard work all our classes put into the performance. I think we can all agree it went wonderfully well. This week has had plenty to get stuck into. The beginning of our week we had sports day. Our learners enjoyed playing different games in the hot sun. This Friday has been our graduation ceremony for our learners leaving the school. We want to thank all our leavers for their time in education here. We're going to miss them greatly. Our star of the week has been given to Marcus for doing so well in swimming, rebound and PE. And of course.. Sports day! Well Done Marcus!

Jubilee: Dear family and friends. This week we looked at our social skills, specifically looking at sharing, turn taking and independent appropriate interaction with our peers. Exquisite moments were captured where learners have independently chosen to turn take with a peer, engaging in establishing friendship. Other learners have engaged in sharing their progress by choosing to read a story to a peer. I am so proud of the social progress in independently creating relationships by the learners in Jubilee. Enjoy your weekend! Mrs C. Team Jubilee

Pippin:

Pippin have had a very adventurous week, with trips to swimming, Old MacDonald's Farm and Southend on Sea, our class enjoyed ice creams and fish and chips followed by exploring the sea life centre. We also enjoyed sports day, especially the warm up and ball skills. Today we are attending the summer fair and graduation and we wish all the school leavers all the best in their futures.

Our STAR of the week is Greta for being confident in her swimming and trips

Stirling:

It has been an emotional week as we say goodbye to three of our wonderful students as they embark on the next chapter in their lives. The week began with our usual Tesco trip to buy ingredients for our marinated kebabs. Tuesday the group cooked these and thoroughly enjoyed them. We concluded our Topic cycle of understanding how to plan, book and go on a summer holiday with an end of cycle quiz in which learners did very well. For the last time this academic year we completed our church sculpture projects and over at Ashvale, we dug up all the weeds from the strawberry beds and cultivated these ready for winter growing. The week ended with a glamorous and heart felt leavers assembly celebrating six of our fantastic students and their incredible journeys throughout their time here. The day ended with a disco and indoor fair to truly kick start the weekend. Star of week: Ollie

Winston:

We've had a very exciting week this week. On Tuesday we had sports day. On Wednesday we had a trip to Southend where we visited the aquarium and saw lots of animals including penguins, monkeys, and piranhas. We ate fish and chips on the sea front and managed to walk around the butterfly enclosure. On Thursday we went to the farm and fed the goats, pigs, alpacas and cows. On Friday is graduation where we be celebrating all of the great things that have happened over the last academic year.

Our star of the week is Luke for being compassionate.

Friday's Prayer

Dear God,

Thank you for all the children and adults who have worked hard and helped this year to be a success.

Please help us to know which way to go in life.

Please bless us with people to help and give good advice.

We pray that we can all have a good rest during the summer holidays and start September feeling refreshed and ready to begin the next academic year.

Amen.

Class	Star of the Week
Beacon	Henry
Bramley	Marcus
Jubilee	Charlotte
Pippin	Greta
Stirling	Ollie
Winston	Luke
