## Governors Message

As Acting Chair of governors, I am writing at the end of another very successful academic year on behalf of the governors, to thank the whole St. Elizabeth's community for your support during a year of huge change and progress. None of this could have happened without each one of you playing your part - students, staff, parents and family members. Thank you so very much for your support, skills, teamwork and dedication to doing the very best at all times. I never cease to be overwhelmed by the enthusiasm, positivity and happiness of this unique and outstanding setting. Each one of you contributes to this in your own special way to ensure the best experiences and outcomes for the learners who are at the heart of all we do. You make a huge difference to their lives and it is very much appreciated. Thank you so much for ensuring that the strategic vision is lived out each day and for playing your part in the implementation of the great changes that have happened this year. It has been a busy year and everyone thoroughly deserves the summer break. Please enjoy some respite, rest and fun during the holidays. We look forward to working together next year.

Wishing you all the very best and with enormous gratitude for all you do personally,

Rosemary Sherry

Acting Chair

## Dates for the Diary

**4<sup>th</sup> September – School Starts**

**5<sup>th</sup> September – Parents Welcome Evening (Online)**

**30<sup>th</sup> September – Apple Day (Parents welcome)**

## Friday Prayer 21.07.23

Dear God,

Thank you for all the children and adults who have worked hard and helped this year to be a success.

Please help us to know which way to go in life.

Please bless us with people to help and give good advice.

We pray that we can all have a good rest during the summer holidays and start September feeling refreshed and ready to begin the next academic year.

Amen.

**Bible quote** - God has a great plan for you. Jeremiah 29:11

This week's assembly was a celebration of all of the children's successes over the year. Everyone deservedly received certificates for their outstanding achievements and they were all celebrated by everybody. Have a great summer and well-earned rest everyone, and we will see you all in September.

## Beacon:

What a fantastic end of the school year! Students were fantastic when receiving their awards at the end of the year Assembly. On Thursday we have celebrated the incoming summer holidays by throwing a party, where Michael was the DJ controlling the Jukebox, playing his favourite music from his pen drive. All students had great fun taking part at the celebration and enjoying the chocolate truffles that they have made earlier on our food tech class.

Beacon Class staff wishes everyone a fantastic summer holidays! We are looking forwards to seeing everyone back in September full of energy for loads of learning and fun!

## Bramley:

This week in class we concentrated on getting ready for summer. We explored summer vibes through many sensory activities and games using our precious outside space in the courtyard. We stayed active being on bicycle and playing in the park. In art we made a lovely 'Thank you' cards for staff involved in our successful year and students helped deliver them. Marcus is our Star of the week as he helped distribute the cards.

We focused on sharing the space around us as we enjoyed the group music activities and playing together on the floor using mats, peanut rolls and soft bags. It was great to see all the students enjoying activities during the week and leaving the school in a great mood, ready for summer advances.

Wishing you all great summer break.

## Jubilee:

How time flies when you are having fun! This year we made lots of progress and the learners all had loads of fun, making friends and learning new skills. We have to say it was a joyous year with lots of challenges. Thank you to all the learners that has thought us so much just by being themselves. We have been very privileged to work with each and every one of them. Thank you for your support and for sharing your little ones with us.

We wish you a lovely summer and we hope you enjoy.  
Mrs C

### Pippin:

This week Freddie had a great time on his trip to Harry Potter World. He really liked his burger lunch and looking at the train.

Greta and Gabriel enjoyed time in the classroom with stories being read to them. During the final days of term Greta enjoyed watching the nutcracker and at times jumped up to dance.

Gabriel continues to enjoy music and dancing.

### Stirling:

Stirling had a very busy last week. On Monday we did our last cooking session, the learners enjoyed making hotdogs to celebrate the end of the cycle. On Tuesday we had a successful trip over to Woburn Safari Park! The learners especially enjoyed the monkeys climbing onto the minibus! On Wednesday we finished our last Maths and English work of the cycle before then attending the end of year assembly. Lastly, on Thursday we had a very emotional last day, with learners exchanging gifts and engaging in fun activities.

The Stirling Team would like to thank our learners for an amazing year and we wish you all a wonderful summer!

### Winston:

We've had another fantastic week in Winston. We have been creating a time capsule to open up at the end of next school year to see how much we've changed. We also enjoyed a lovely trip to the park and pets corner on Monday. We've been doing lots of prep for the new year as we say goodbye to two students and wish them luck in their futures whilst also welcoming our new addition. This year has been brilliant with a vast array of progress being made and we are very much looking forward to the new year. Have an amazing summer holiday!
