Dear Parents & Carers,

This academic year we will be welcoming Ward-Hendry in to take school portrait photographs for the students. School photographs will be taken on 15<sup>th</sup> January 2024. These photographs will be available as digital images that you can view online and purchase if you would like to.

The school office will send out a name card that will provide you with login details and a QR code directing you to your child's photographs.

You can purchase the download for £8.50 per image and print wherever you choose, or there is an option of the website to print these in various options.

The photographs should be available to view and order within 24 hours of the photographers visit.

The company we are using are Ward-Hendry and they come with plenty of experience and full DBS checks. Please see the link for further information, <https://www.ward-hendry.com/faqs>

If you have any questions, please do let us know.

Yours Sincerely,

Lisa Tooley  
Head Teacher
