

Friday Prayer & Liturgy – 8/3/24

Friday Prayer

Dear God,
Help us never to forget to say thank you.
Please help us in the way we live our lives
to show that we do care for those around us
and that we are grateful for the many things
that people do for us.

Thank you for our mums and the tireless way
they look after us.

Amen.

Bible quote

But Mary treasured up all these things and
pondered them in her heart.

Luke 2:19

Friday Liturgy

The focus of our assemblies today was
Mother's Day. Learners shared the things
their mothers do for them that make them
special and part of the reason we love them.
We reflected on Mary being Jesus's mother,
that we should help each other and be
thankful for the help of others. Our week
came to an end with a very joyous singing
practise in the school hall.
