Friday Prayer

Dear Lord,
Thank you for the life of Jesus,
his human nature and his God
nature.

When we run out of ideas,
When we face a difficult
problem,
When there seems no solution,
Remind us of your teachings.
Amen.

Bible quote

Jesus said, "Do not hold on to me, for I have not yet ascended to the Father. Go instead to my brothers and tell them, 'I am ascending to my Father and your Father, to my God and your God.'"

John 20:17

Friday Liturgy

The Ascension of Jesus into Heaven was celebrated in our assemblies today. It tells of Jesus ascending to Heaven to be with His Father, forty days after he rose from the dead to save us. Jesus spent the forty days instructing the disciples to carry out his instructions in preparation for leaving them. We reflected that God is always there for us and we can always pray for His guidance and help. The students shared the things they worry about and placed them in a basket which we were able to ascend in the hall, just as Jesus had. 'Prayer through Song' gave us the opportunity to give thanks for our week in school and to reflect on our successes, before singing to bring the week to a close.
