

Friday Prayer & Liturgy 24/10/25

Friday Prayer

God of all people,
Thank you for the world that you
have made.

Help us to see that we belong to
your worldwide family of people
on earth.

Help us to treat one another
fairly and to try to understand
one another.

Amen.

Bible quote

For God shows no partiality.

Romans 2:11

Friday Liturgy

Our assemblies today reflected the students learning around 'Black History Month'. People who have influenced change and stood up for the rights of all were celebrated, and their huge achievements and courage acknowledged. One assembly explored the work of a black disabled artist, with the learners reflecting how it made them feel, before completing their own work in the style of the artist. Our half term concluded with 'Prayer through Song' with prayers, achievements and hymns shared in the school hall together. We look forward to seeing you all after half term on Monday 3rd November.
