Friday Prayer

Dear Lord,
Christians around the world
celebrate your greatness and love
for the entire human race.
You provide for all, care for all and
treat all with justice and truth.
Help the message of your eternal
plan be spread around the whole
Earth.
Amen.

Bible quote

And the child grew and became
strong, filled with wisdom. And the
favour of God was upon him.

Luke 2:40

Friday Liturgy

In today's assemblies we celebrated The Presentation of Jesus in the temple. The students shared the story of Mary and Joseph presenting their first-born son to God in Jerusalem, where he was recognised as the Son of God by Simeon and Anna. The students then discussed qualities we admire in people and went on to share people they admired and why. 'Prayer through Song' brought our week to a close, as we gave thanks and looked forward to the week ahead before singing together.
